

Obituary

Bangladesh Society of Microbiologists (BSM) deeply mourns the sudden demise of Professor Dr Naiyyum Choudhury, renowned scientist and former president of Bangladesh Society of Microbiologists (BSM). Professor Choudhury passed away on the 7th September (Inna lillahi wa inna ilaihi rajiun). The society will always remember his enormous contributions in microbiology education and research in Bangladesh. May Allah grant him Jannat Ul Ferdous and rests his soul in peace.
